Helpful Hints

- Calorie free club soda adds sparkle to iced fruit juices, makes them go farther, and reduces calories per portion.
- Use decorative baskets to display and serve bread and rolls.
- Always chill juices or sodas before adding to beverage recipes.
- One lemon yields about ¼ cup juice; one orange yields about 1/3 cup juice. This is helpful in making fresh orange juice or lemonade.
- Always use COLD water in automatic coffee makers. Use 1-2 tbsp. ground coffee for every cup of water. A pinch of salt in the grinds fights bitterness.
- Cheeses should be served at room temperature for best flavor.
- Seeds and nuts, both shelled and unshelled, keep best and longest when stored in the freezer. Nuts in the shell crack more easily when frozen.
- When possible, float an ice ring in punch rather than ice cubes. This is not only more decorative, but also inhibits melting and diluting.
- Have disposable food storage containers handy to offer leftovers to your guests. They will appreciate your thoughtfulness and you'll appreciate the extra room in your refrigerator (that is, if there is anything leftover)!
- Flowers and scented candles are always welcome decorations to your buffet.

Notes

We will do our best to accommodate "last minute" orders, but generally ask for two days notice, one week for Large and/or Special Orders.

To Our Customers:

Since we first opened our doors back in 1990, our goal has remained the same…to provide a delicious culinary experience for any occasion. We take pride in the reputation we have earned and welcome the opportunity to show you why we are considered to be among the best.

The Hennings' family has been in the delicatessen and catering business for decades. Several successful Long Island delicatessens still in operation today were established by Dave's parents. Many of our salads and other dishes are the same delicious traditional recipes his mother used. Dave himself is a graduate of the Johnson & Wales Culinary School and cooking is a passion for him.

Our homemade salads and entrees are made from only the finest and freshest meat, poultry, and produce available, and contain no preservatives or chemicals.

You demand quality; we take no short-cuts. We are dedicated to saving you time, effort and worries over your next gathering and are happy to customize your order. Call us for information, at no obligation. We are at your service to make any event, large or small, a special and memorable occasion. Thank you for your trust in us!

Your Dedicated Caterers,

Dave and Monique Hennings
